G                    C       G
If I was a flower growing wild and free
G                        D          G
All I'd want is you to be my sweet honeybee.
G                    C       G
And if I was a tree growing tall and green
G                            D     G      G
All I'd want is you to shade me and be my leaves
```

```
G                    C      G
All I want is you, will you be my bride
G                    D          G
Take me by the hand and stand by my side
G                    C      G
All I want is you, will you stay with me?
G                        D              G     G
Hold me in your arms and sway me like the sea.
```

```
G                    C        G
If you were a river in the mountains tall,
G                          D     G
The rumble of your water would be my call.
G                    C        G
If you were the winter, I know I'd be the snow
G                              D        G    G
Just as long as you were with me, when cold winds blow
```

```
G                    C     G
All I want is you, will you be my bride
G                        D        G
Take me by the hand and stand by my side
G                    C      G
All I want is you, will you stay with me?
G                        D          G    G
Hold me in your arms and sway me like the sea.
```

```
G                    C       G
If you were a wink, I'd be a nod
G                        D       G
If you were a seed, well I'd be a pod.
G                    C           G
If you were the floor, I'd wanna be the rug
G                    D          G      G
And if you were a kiss, I know I'd be a hug

G                        C      G
All I want is you, will you be my bride
G                        D        G
Take me by the hand and stand by my side
G                        C      G
All I want is you, will you stay with me?
G                            D            G      G
Hold me in your arms and sway me like the sea.

G                        C          G
If you were the wood, I'd be the fire.
G                    D          G
If you were the love, I'd be the desire.
G                        C         G
If you were a castle, I'd be your moat,
G                                D      G      G
And if you were an ocean, I'd learn to float.

G                        C      G
All I want is you, will you be my bride
G                        D        G
Take me by the hand and stand by my side
G                        C      G
All I want is you, will you stay with me?
G                            D            G      G
Hold me in your arms and sway me like the sea.  ////
