I'll have a Blue Christmas without you

        Gᵐ   **C⁷**   **F**
I'll be so blue just thinking about you

      Cᵐ   **D⁷**   **Gᵐ**
Decorations of red on a green Christmas tree

G⁷   **C⁷**   **G⁷**   **C⁷**
Won't be the same dear, if you're not here with me

tacit: **F**   **C⁷**
And when those blue snowflakes start fallin'

        Gᵐ **C⁷**   **F**
That's when those blue memories start callin'

      Cᵐ   **D⁷**   **Gᵐ**   **G⁷**
You'll be doin' all right, with your Christmas of white

    C⁷   **Gᵐ** **C⁷** **F**   **F**
But I'll have a blue, blue Christmas

(strum to the last two lines above)

I'll have a blue Christmas that's certain

                     G^m **C^7**   **F**

And when that blue heartache starts hurtin'

           C^m   **D^7**   **G^m**   **G^7**

You'll be doin' all right, with your Christmas of white

      C^7   **G^m** **C^7** **F**   **A^{m11}**

But I'll have a blue, blue Christmas.   */*
