

Caledonia

¾ time

Dougie Maclean

F C D^m B^b
/// /// /// ///

F C D^m B^b
 I don't know if you can see, the changes that have come over me.

F C D^m B^b
 These last few days I've been afraid, that I might drift a-a-way.

F C
 I've been telling old stories, singing songs,

D^m B^b
 That make me think about where I've come from.

F C D^m B^b
 And that's the reason why I seem, so far away to-day.

CHORUS:

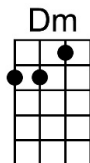

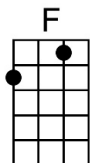

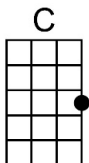

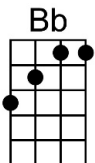

F C D^m B^b
 Let me tell you that I love you, that I think about you all the time.

F C C F
 Caledonia you're calling me, now I'm going home.

F C
 But if I should become a stranger,

D^m B^b
 Know that it would make me more than sad,

B^b C F
 Caledonia's been everything I've ever had.

F **C**
 Now I have moved and I've kept on moving,
D^m **B^b**
 Proved the points that I needed proving,
F **C** **D^m** **B^b**
 Lost the friends that I needed losing, found others on the way.

F **C**
 I have kissed the lassies and left them crying,
D^m **B^b**
 Stolen dreams, yes there's no denying,
F **C** **D^m** **B^b**
 I've travelled hard sometimes with conscience flying, somewhere in the wind.

CHORUS:

F **C** **D^m** **B^b**
 Now I'm sitting here be-fore the fire, an empty room, a forest choir,
F **C**
 The flames have cooled, they can't get any higher,
D^m **B^b**
 They've withered, now they've gone.
F **C**
 But I'm steady thinking my way is clear,
D^m **B^b**
 And I know what I will do tomorrow,
F **C** **D^m** **B^b**
 When hands are shaken, the kisses flowed, then I will disappear.

CHORUS:**END WITH:**

B^b **C** **F** **B^b** **F**
 Caledonia's been everything I've ever had. /
