G                                  D7                                  D7  
Shine little glow-worm, glimmer, glimmer.

G  
Shine little glow-worm glimmer, glimmer!

G                                  D7                                  Am7                                  D7                                  G  
Lead us lest to far we wander, love's sweet voice is callin' yonder!

G                                  D7                                  D7  
Shine little glow-worm, glimmer, glimmer,

G  
Shine little glow-worm, glimmer, glimmer,

G                                  A7                                  D7                                  Am7                                  G  
Light the path below above, and lead us on to love!

G                                  D7                                  D7  
Glow little glow-worm, fly of fire.

G  
Glow like and incandescent wire,

G                                  D7                                  Am7                                  D7                                  G  
Glow for the female of the specie, turn on the A.C. and the D.C.

G                                  D7                                  D7  
This night could use a little bright-nin',

G  
Light up you li'l ol' bug of lightnin'

G                                  A7                                  D7                                  Am7                                  G  
When you gotta glow, you gotta glow, glow little glow-worm glow!

G                                  D7                                  D7  
Glow little glow-worm, glow and glimmer.

G  
Swim through the sea of night little swimmer,

G                                  D7                                  Am7                                  D7                                  G  
Thou aeronautical Boll Weevil, illuminate yon woods primeval.

G D7 D7  
 See how the shadows deep and darken,  
 G  
 You and your chick should get to sparkin'.  
 G A7 D7 Am7 G  
 I got a gal that I love so, glow little glow-worm glow!

G D7 D7  
 Glow little glow-worm, turn the key on.  
 G  
 You are equipped with tail-light neon;  
 G D7 Am7 D7 G  
 You got a cute vest pocket Mazda which you can make both slow and "fazda."  
 G D7 D7  
 I don't know who you took a shine to,  
 G  
 Or who you're out to make a sign to.  
 G A7 D7 Am7 G  
 I got a gal that I love so, glow little glow-worm glow.
