Nine To Five

written and recorded by Dolly Parton

D

Tumble outta bed and stumble to the kitchen

G Pour myself a cup of ambition

D And yawn and stretch and try to come to life

D

Jump in the shower and the blood starts pumping

G

Out on the street the traffic starts jumping

D Α D With folks like me on the job from Nine To Five

G

Working Nine To Five what a way to make a living D Barely getting by it's all taking and no giving G They just use your mind and they never give you credit

F⁷ It's enough to drive you crazy if you let it

G

Nine To Five for service and devotion

D

You would think that I would deserve a fair promotion

G

Want to move ahead but the boss won't seem to let me F⁷

I swear sometimes that man is out to get me

D

They let you dream just to watch 'em shatter

G You're just a step on the boss man's ladder

D Α But you got dreams he'll never take away

D

You're in the same boat with a lot of your friends G Waiting for the day your ship will come in D Α Then the tide's going to turn and it's all gonna roll your way

> G Working Nine To Five what a way to make a living D Barely getting by, it's all taking and no giving G They just use your mind and they never give you credit F^7 It's enough to drive you crazy if you let it

G Nine To Five yeah they got you where they want you D There's a better life and you think about it don't you G It's a rich man's game no matter what they call it
