```

        D   D^7
I go out walking after midnight

        G   E^m A
Out in the moonlight just like we used to do

        D   G^m A   D A^7
I'm always walking after midnight   searching for you

        D   D^7
I walk for miles along the highway

        G   E^m A
Well that's just my way of saying I love you

        D   G^m A   D D^7
I'm always walking after midnight   searching for you

        G
I stopped to see a weeping willow

        D   D^7
Crying on his pillow   maybe he's crying for me

        G
And as the skies turn gloomy

        D   A
Night winds whisper to me, I'm lonesome as I can be

D D^7
I go out walking after midnight

     G E^m A
Out in the starlight, just hoping you may be

     D G^m A D D^7
Somewhere a walking after midnight   searching for me

     G
I stopped to see a weeping willow

      D D^7
Crying on his pillow, maybe he's crying for me

    G
And as the skies turn gloomy

       D A
Night winds whisper to me, I'm lonesome as I can be

D D^7
I go out walking after midnight

    G E^m A
Out in the starlight just hoping you may be

    D G^m A D A^7
Somewhere a walking after midnight searching for me
